TO THE VOTERS
— OF —
SEARCY COUNTY.

I take this method of informing you that I am a candidate for re-election to the office of Sheriff of this County.

In introducing this matter, I wish to return many thanks for past favors conferred on me by the good citizens of Searcy County. Two years ago I came before you asking that I be elected to this position, with the promise, if elected, I would discharge the duties of the office according to law. I have served you twenty months, my record as an officer is before you, and I leave it for the people of the County to say whether I have fulfilled my promises in the discharge of my official duties; and if the favor is again conferred upon me by the people of the County, I will promise that my acts shall be in the future as in the past.

I further return my thanks to the citizens of the County for their willingness to aid me in the discharge of my official duties and the execution of the law.

If it is the will of the people that some one else should serve them, I will submit cheerfully to their wishes, and at the expiration of my term, I will return the control of the office, I hope, in a better condition than I found it. I am subject, however, to the action of the Republicans of the county.

With many thanks, I remain your obedient servant,

N. J. McBRIDE.

May 17, 1882.
